Respected sir,

I am Gijo John from MB section 2019-2020 Batch. Roll No:19324.
Thank you so much for PPO at ICICI. Ltd.

Unfortunately, after a great deal of thought, I have decided to turn down this gracious job opportunity due to the following reasons.

- There is a monthly payment to be done for the education loan I have Availed. The current financial situation of my family doesn't allow me to go with the current CTC as the need is much bigger.
- Moreover as discussed earlier by the company, they can send us to any location across India. At this CTC the relocation will further put a strain on my finances.

Therefore, considering various aspects of this offer. I would like to humbly reject this offer.
